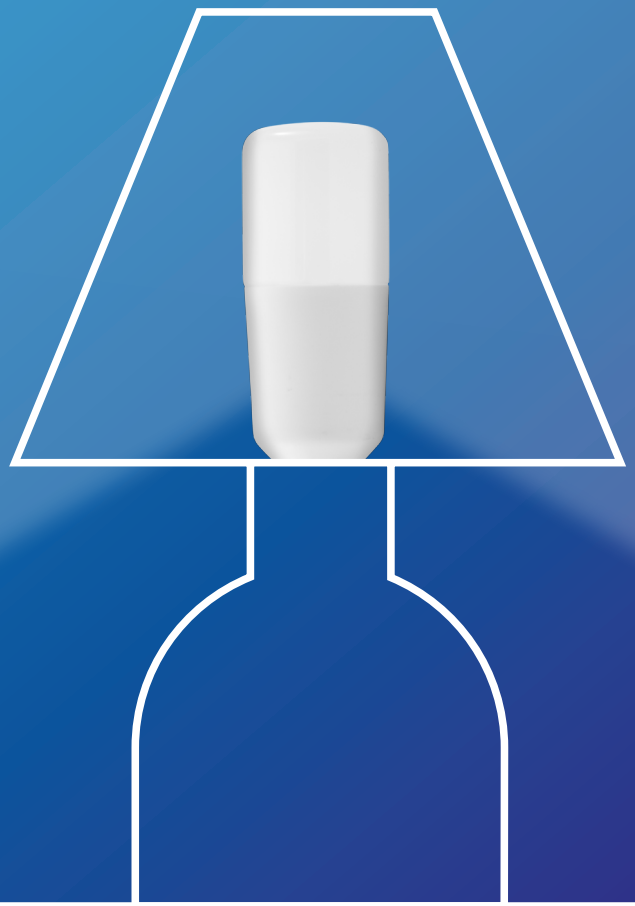
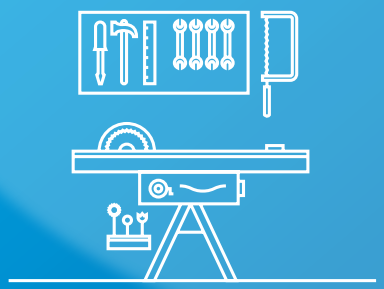
Introducing

GE LED Bright Stik™



A new light that's just right.
Everywhere.



For DIY projects.

For perfecting your dinner.

For sofa naps.

For beating deadlines.

Lamps come in many shapes and sizes, and so should light bulbs. Our new cylindrical-shaped LED Bright Stik™ was designed to fulfill every need, whether it's E14, E27 or B22 application that you need lighting bulbs for. It is the ideal choice affordable LED light bulb that delivers instant brightness for any room in your house.
